WSO - Farewell Symphony - Leamington

Date and Time: Saturday, April 13 07:30 p.m. - 9:30 p.m.

Event Location: 78 Oak St E Leamington, ON N8H 2C6

The Windsor Symphony Orchestra Intimate Classics Series: It's not very often you see musicians get up and walk off stage mid-performance. In 1772, in response to the long hours his musicians were forced to work, Hayden wrote the Farewell Symphony to raise awareness of a potential uprising to his employer, Prince Esterhazy. The symphony features a choreographed and strategic exodus of musicians from the stage one-by-one (in the middle of the work!) until only two musicians remain. No need to worry, the WSO will be back in their seats to perform Schubert's Symphony No. 5.

Series Sponsor: The Morris & Beverly Baker Foundation
